

Municipal Grants Program Guidelines

Purpose

To outline the eligibility criteria, as determined by Council, for grant funding opportunities through the Municipal Grants Program Policy and to define the process for accepting applications.

Scope

This guideline applies to all organizations seeking funding through the Municipal Grants Program.

Definitions

Terms not otherwise defined in this Program Guideline have the meanings given in the City's Municipal Grants Program Policy.

Communication

The City will promote the Municipal Grants Program and the application process through various communication methods, including the City's website, social media, print materials, and other communication methods as appropriate. Timelines for application would be communicated and published on the City's website.

Accountability

Prior to the disbursement of any municipal funds, all grantees must sign a Letter of Agreement on the approved form, which specifies the terms and conditions of the grant.

Organizations awarded a grant will be held accountable for the expenditure of the funds in accordance with the stated objectives/plans. Grants in future years will be reviewed based on past demonstrated fiscal responsibility of the applicants.

Funds granted under this program must be used for the specific purposes outlined in the application. They are not transferable between initiatives or groups without prior Committee approval.

Any unspent funds at the end of the initiative must be returned to the City of Cornwall.

By the last Friday in October in the year the grant is received, a Final Report must be completed and submitted to Financial Services in order to qualify for future funding; OR if the funded initiative was not completed by this deadline the organization must submit

an Interim Report which shall include the requested date of extension and reason for extension of the Final Report filing.

The Final Report form is available on the City's website.

Failure to submit the report, and/or meet any of the grant conditions outlined above will result in the organization being ineligible to apply for funding in future years or any approved funds may be withheld until such time the above conditions are met.
