INFORMATION
BULLETIN

Municipal tax sales are governed by the *Municipal Act, 2001*. This bulletin is intended for information purposes only.

A listing of properties to be sold by public tender will be advertised for four (4) consecutive weeks in the local newspaper, Cornwall Standard Freeholder as well as on the City's website, www.cornwall.ca. The notice will also be published once in the Ontario Gazette during the four week notice period.

Important Information Before Tendering

Decide how much you are willing to pay for the property. Remember there may be others submitting a tender on the same property. The highest tenderer will have an opportunity to buy the property if they are able to submit the balance of their tendered bid within the required 14 day period. Failure to remit, the second highest tenderer will be given an opportunity to buy the property as only the two highest bids are retained by the municipality.

The City is not obliged to provide a survey or reference plan for any parcel of land being sold.

The Treasurer is not obliged to inquire into the value of the land prior to conducting a sale nor is there any obligation to obtain fair market value for the land or to ensure that land being sold under tax sale may obtain fair market value at the same of the sale or in the future.

Prior to submitting a bid, the onus is on the potential bidder to conduct his/her own inquiries into such matters as zoning, work orders, access, building restrictions, title search, execution search, easements, etc. The City makes no representation as to the quality and/or quantity of the land being sold, including any environmental concerns.

The City does not have the ability to conduct tours or provide access to the properties being sold.

The City is not required to provide vacant possession of any properties which may be occupied. **The City also does not have a key(s) to the property and therefore is not in a position to provide one to the successful purchaser.**

The following departments/agencies may be in a position to assist you in researching the property. There may be a fee associated with the information being requested.

Tender Envelope Information

An envelope template will be provided in the tax sale package as to how to address the envelope. It is very important that the front of the envelope contains the words **TAX SALE FOR** as a prefix before inserting a brief description or municipal address of the property to which the tender relates to.

Envelope to be addressed as follows:

Treasurer
City of Cornwall
104-100 Water Street East
Cornwall, ON
K6H 6G4

A separate envelope, properly identified, is required for each property to which a tender is being submitted.

Envelope must be sealed when it is received by the Treasurer’s office. Before sealing, ensure that the tender document is accurate together with the 20% deposit in the form of a money order, bank draft or certified cheque.

FAX AND/OR LATE SUBMISSIONS WILL BE NOT ACCEPTED.

Withdrawal of Tendered Bid

If you chose to withdraw your submitted bid prior to the opening, a written request must be received by the Treasurer or designate before 3:00 pm on the last date for receiving tenders. The written request may be sent by fax or email to expedite the withdrawal.

The withdrawn bid will be opened at the same time as the other bids and returned as per procedure.

Opening of Bids

The opening of the sealed bids will be carried out by the Treasurer in the presence of at least one other Finance department staff member.

Each tender document will be examined for completeness of content.

If two bids of equal amount are received, the person who submitted the earlier time stamped bid will be deemed to have the higher bid. (Note: all tender envelopes are date and time stamped upon receipt by the Treasurer’s office). The successful tender is the highest bidder who has submitted a properly completed tender and who makes payments, within 14 days of the mailing of the notice, the balance of the tendered amount, the applicable land transfer tax, and any accumulated taxes that may have come due since the initial advertising of the tax sale notice, plus any HST, if applicable, are paid into the office of the Treasurer. Failure to remit the balance of the high bid within the mandated period, the deposit will be forfeited to the municipality. The second highest tenderer will then be given an opportunity to purchase the property within the required timeframe.

All rejected bids together with the deposit will be returned to the tenderer by regular mail or in person at the opening if the tenderer is in attendance, upon conclusion of the sale.
