## 22 Employment Area Heavy (EAH) Zone

The Employment Area Heavy (EAH) Zone implements the Employment Area policies of the Official Plan. This Zone generally permits heavy industrial uses which could have a detrimental visual or physical effect on adjacent land uses, particularly residential uses. Heavy industrial uses are characterized as having regular emissions such as noise, smoke, odour, fumes and/or vibrations. Such industries may operate continuously with frequent movement of products and extensive outside storage. Examples include: manufacturing, assembly operations, and food processing. Special attention shall be given to the buffering of such industries from other uses, and to the accommodation of industrial traffic flows.

All structures and buildings erected, altered or used in an EAH Zone shall comply with the regulations of this Section, as well as any other applicable provisions in this By-law.

### 22.1 Permitted Uses

No building or part thereof and no land shall be used, caused to be used, or be permitted to be used for purposes other than:

- Assembly operations
- Cannabis production and processing facility
- Food processing
- Heavy industrial uses
- Manufacturing
- Small-scale urban horticulture
