ROAD CLOSURE NOTICE

TENDER NO.	20-T20
WORK TO BE COMPLETED	Reconstruction of Sydney Street from Fourth Street to Fifth Street

Please be advised that Sydney Street is expected to be closed beginning **June 2nd, 2020**. It is anticipated that driveway access will be limited starting on the above-mentioned date.

Parking and Driveway Access

Throughout the duration of construction, parking is the sole responsibility of the property owner/tenant; parking in the construction area is not permitted. If a vehicle is parked within an active construction zone and the owner cannot be reached, the vehicle will be relocated.

If you receive a parking ticket during construction as a result of access restrictions to your driveway, you have the option of disputing the ticket by following the processes listed on the reverse side of the infraction notice.

Road and Sidewalk Access

In order to complete the work in a safe manner, roadway and sidewalk restrictions will be put in place within the construction work zone. Access for emergency vehicles will be maintained throughout the duration of the project.

If you have any questions or concerns regarding this project, please contact one of the individuals listed below.
