NOTICE TO AFFECTED HOUSEHOLDERS

DISRUPTION OF WATER SERVICE

Please be advised that due to construction work on Robertson Ave, Osborne Ave, Susan Ave. and Princess St, **your water service will be disrupted for several hours on Thursday, May 21, 2020 commencing at approximately 8:30 AM.**

Please make the necessary arrangements you may require, to prepare for the disruption. We anticipate that your water service will be reinstated before 6:00 PM provided we do **not experience** unforeseen circumstances.

Occasionally, some minor problems can occur after the water supply is reinstated.

- If water shows discoloration, run the water until it clears.
- If sputtering occurs, turn on every hot and cold faucet to remove air pockets from the water supply.
- If flow at a faucet is less than usual, remove the screen from the faucet, remove any obstructions and reinstall it.

We apologize for this inconvenience. Should you have any questions or require further information, please do not hesitate to contact.

******Weather permitting******
