NOTICE OF CONCRETE WORKS

Project: 22-T17 – Iroquois Dr

Please be advised that to be able to construct new sidewalks on your street, access to driveways/entrances will be restricted for a period of three (3) to five (5) business days. Work is expected to begin:

Wednesday the 28th of September 2022, at 7:00am

Please note that vehicles must be moved to allow for the construction of new concrete sidewalks. Please ensure that all vehicles are out of driveways and away from the working areas by 7:00am.

Vehicles left on the street after 7:00am will be towed if they interfere with the work.

It is important to be cautious when crossing new sidewalk. Please do not step on any concrete unless you can confirm that it has hardened. Stepping in fresh concrete can damage clothing and/or footwear.

Please note that pedestrian access to residences will always be available.

If you have any questions or require further information, please reach out to the project team using the contact information provided below.

Please note that work will only take place if weather permits. The work will be rescheduled for the following business day if postponed as a result of inclement weather.
