

## Cornwall Centre Road Residents

**Re: Road Cold Milling and Full Width Recycling**

Roto-Mill Inc. have been contracted to complete construction work by the City of Cornwall on Cornwall Centre Rd from Brookdale Ave easterly to Hwy 138. (Approximate length of 750m)

The work will consist of existing asphalt milling and road recycling which will provide a strong road base together with lowering greenhouse emissions by reusing the existing road material. Construction dates may vary due to weather; however, we anticipate being on this segment of road starting Tuesday July 23, 2024 and completed by July 26, 2024.

Roto-Mill Inc. will take every precaution to minimize interruptions during construction. Should you require any information or assistance or have any construction related inquiries, please contact Roto-Mill Inc. at 416-435-3828.

The scope of work for this project includes the following:

- Intersection Cold Milling.
- Full width road recycling.

We apologize in advance for this inconvenience and thank you in advance for your cooperation in this matter.

Regards,

Roto-Mill Inc.
