Section 6: Term of Application

Please check if you agree and understand that:

I understand that by accessing Start-Up Grant funding that the license associated with the project must remain enrolled in the CWELCC program for the remainder of the current CWELCC agreement (that means until March 31, 2026).

I understand that, as the licensee, upon approval of my application for CWELCC Start-Up Grant funding, the following terms and conditions will apply:

- Licensees must maintain the age 0-5 spaces for which they are receiving funding (e.g., a licensed infant space must remain an infant space).
- Licensees must ensure that all child care spaces are inclusive and accessible to all children of all abilities. Specifically, that all children are able to actively and meaningfully participate in the licensed child care program and are supported to form authentic, caring relationships with their peers and educators (e.g., a class-wide approach which doesn't separate or exclude children with individualized 1:1 treatment/actions). Children with additional needs are not denied access to the child care program or limited in the hours they can access the program.
- Any adjustments and recoveries of funding will be determined at the discretion of the City of Cornwall based on the City's reconciliation process.
- Licensees must permit the City of Cornwall to audit financial and service records related to the CWELCC System at any reasonable time.
