

THE CORPORATION OF THE CITY OF CORNWALL

By-law # 2015-102

**A By-law to amend by-law 2014-047 to authorize Cost Recovery Fees for services provided by the Fire Service and to mandate Fire Marque Inc. to recover the costs for the Cornwall Fire Service**

Whereas the Cornwall Fire Service wishes to recover additional costs and expenses which have traditionally not been recovered, through the use of an agreement with Fire Marquee Inc.; and

Whereas these costs may be recoverable through the insurance policies of the owner or tenant of the incident site; and

Whereas it is cost efficient to enter into an agreement with Fire Marque Inc. to allow them to recuperate the sums on behalf of the City of Cornwall; and

Now therefore the Council of The Corporation of the City of Cornwall amends By-law 2014-047 as follows:

1. After section 7, add the following:

"8. That costs and expenses incurred by the Cornwall Fire Service, as a result of attending incident sites and providing services be recovered through an agreement with Fire Marque Inc., in accordance with insured perils clauses in the insurance policies of the owner or tenant of the incident site, as directed by the Cornwall Fire Service."

Read, signed and sealed in open Council this 13th of July, 2015.
