

## Promoting Water Efficiency: Toilet Rebate Application

To promote residential water conservation and efficiency, the City of Cornwall (“the City”) has developed a rebate program for residents who replace high-flow toilets (13L or more), with more efficient, low-flow toilets. A \$50 rebate will be awarded for each toilet replaced up to a maximum of two (2) toilets per household. To be eligible for the toilet rebate, the following mandatory criteria must be met:

- The property was constructed prior to 1997.
- The property receives water from the municipal supply.
- A 13L or more per flush toilet has been replaced with a WaterSense® certified toilet.

Please note that rebates will only be awarded for up to two (2) toilets per property.

If you satisfy each of the mandatory criteria, please proceed with the application.
