

Curbside Services

The City of Cornwall is looking for feedback on the following curbside collection options.

Use a dot sticker to indicate what you think!

Leaf and Yard Waste Collection

Seasonal (April-May) and (Sept-Nov)

Seasonal May- November

Currently Leaf and Yard waste is collected 2 seasons a year in the Spring (April-May) and Fall (Sept-Nov). There is no leaf and yard waste collection in June, July or August.

Bulky Item Collection

Monthly

Quarterly/Seasonally

Once a Year

Currently Bulky Item Waste is limited to furniture set -out at the curb, with no limit, collected weekly with garbage.

Special Bulky Item Collection

Interested and Willing to Pay

Not something I would use

Special Bulky Item Collection would be a pay-per-use service available to residents where they would purchase a tag for the collection of special items such as Mattresses, Electronics, Tires, Appliances, and other materials. This service would help those with difficulty accessing the landfill and depot.
