

Social Housing Information Sheet

What is Social Housing?

Social Housing or rent geared-to-income (RGI) assistance is subsidized housing, available for eligible households. RGI assistance means that the amount of rent paid is determined by household income; rent amounts are approximately 30% of the gross (before taxes) monthly household income. The amount of rent paid by Ontario Works/Ontario Disability Support Program recipients is determined by a scale provided by Ontario's Ministry of Municipal Affairs and Housing in accordance with the *Housing Services Act, 2011*.

Who Can Apply?

- At least one member of the household must be 16 years of age or older and able to live independently.
- Each household member must be a Canadian Citizen; or have made an application for status as permanent resident; or a claim for refugee protection; and must not have an enforceable removal order under the Immigration and Refugee Protection Act (Canada).
- Arrears to any Social Housing Provider must be paid in full or there must be an active repayment agreement plan in place and in good standing.
- No household member will have been convicted of an offence related to rent geared-to-income assistance.
- No household member will have been found by a court of law or the Landlord and Tenant Board to have misrepresented their income for the purpose of rent geared-to-income assistance.

How to Complete Application:

- All sections of the application must be completed and submitted with the required documents.
- Please read and make sure the Consent, Release and Declaration form is understood before signing the application form. The application form must be signed by all applicants 16 years of age and older and all other non-dependent members of the household, or a person authorized to sign on behalf of the member if applicable.
- Applicant(s) will receive written confirmation that the application has been processed with a list of approved buildings.

Additional Information:

- Any changes to an applicant's information must be reported to the Registry as soon as they occur. This ensures that applicants can be contacted at all times as a file will be cancelled if the Registry is unable to contact the applicant at the phone number (or alternate number) and/or address provided on the application form.
- The Registry will contact you by mail, at least once a year, for an update. The applicant's name will be removed from the waiting list if a response is not received, and the file will be cancelled.
- The process for selecting households is based on the date of the application. Special Priority may be given to victims of domestic violence.
- Applicants are entitled to 3 housing offers; after refusing 3 offers the file will be cancelled. Failure to respond to a housing offer shall be considered a refusal.
- A household where a member owns a home, must agree to sell it within 6 months of being housed.

Definitions

Market Rent Housing

Market Rent is based on typical rent charges in the private sector for a comparable size unit in the community. Housing Providers that have market rent units keep a separate waiting list. Please contact them directly.

Rent Geared-To-Income (RGI)

Monthly rent is calculated at 30% of the household's gross (before taxes) monthly income or on a rent scale if receiving social assistance. Additional utility charges or allowances may apply.

Rent Supplement

Rent Supplement refers to subsidy offered for some apartments in privately owned buildings. The process is that two names are sent to the landlord when the applicants reach the top of the landlord's waiting list, the landlord chooses one name for the vacant unit. These units are subject to change at any time.

Affordable Housing Program (AHP)

The program does not offer rent geared-to-income. Rents are based on approximately 80% of Canada Mortgage and Housing Corporation's average market rent for the geographic area. (Registry staff can provide the current Maximum household income rates.)

Supportive Housing

Supportive Housing means that you require services of a community based agency (ie: CareFor), to ensure that you may be successful in living independently.

Cascading Age Policy

Applicants 55 years + may apply for senior housing. However, seniors 65 years + will always be offered senior housing first. If there are no applicants on the 65+ wait list, offers will be made to applicants who are in the 60-64 age group. If there are no applicants who are in the 60-64 age group, offers will be made to applicants who are in the 55-59 age group.

Application for Social Housing

Documentation Required: Please ensure that all of the following documents are submitted with the application. Only complete applications will be accepted at the Registry.

- Canadian Birth Certificate, Canadian passport, landed immigrant papers, permanent resident card or documents supporting a claim for refugee status.
- Notice of Assessment (Income Tax) for the last calendar year for each household member.
Contact Canada Revenue Agency at 1-800-959-8281.

- If in receipt of Ontario Works or Ontario Disability Support Program benefits, a copy of monthly income stub.
- Custody agreements or other document confirming custody.
- If you own your own home – Most current MPAC Assessment and Mortgage Statement showing mortgage balance.

Special Priority for Victims of Abuse

You may be moved to a higher place on the centralized waiting list if you are currently living with someone who is abusing you, or you have recently stopped living with someone (in the last 3 months) who was abusing you. You may also qualify for special priority if you are a victim of human trafficking. Those individuals who are currently being trafficked or those who have exited trafficking within 3 months are eligible to apply for SPP.

This is called Special Priority status.

For the purposes of Special Priority, abuse means:

One or more incidents of: physical or sexual violence, controlling behaviour, or intentional destruction of or intentional injury to property, or words, actions or gestures that threaten an individual or lead an individual to fear for his or her safety or trafficking of the member done by any individual.

For the purposes of Special Priority, the abuser must be:

- The abused person's spouse, parent, child, or other relative, OR
- The abused person's immigration sponsor, OR
- A person on whom the abused is emotionally, physically or financially dependent.

If the definition above applies to your current situation, please request a Special Priority Application Form from the Registry.
