

## Notice of Completion

### Fennell Crescent Pumping Station Class Environmental Assessment

The City of Cornwall owns and operates the Fennell Crescent Sewage Pumping Station. Based on studies completed for the City, it has been determined that there are operational concerns and there are components that are reaching the end of their service life. The City has initiated an environmental assessment to identify a solution to correct the problems identified at this pumping station.

This project is being planned under **Schedule B** of the **Municipal Class Environmental Assessment**. Subject to comments received as a result of this Notice, and the receipt of necessary approvals, the City intends to proceed with the design and construction of this project.

The project plans and other information are available at the following location:

**Location:** Municipal Works Building,  
1225 Ontario Street, Cornwall.

On **Thursday June 6<sup>th</sup>, 2019**, between the hours of **6:00pm and 8:00pm**, the public is invited to attend a *Public Information Centre* at the following location:

**Location:** Automotive Room, Benson Centre  
800 Seventh Street West, Cornwall.

Interested persons should provide written comment to the municipality on the proposal within 30 calendar days from the date of this Notice. Comments should be directed to the Division Manager of Infrastructure.

If concerns arise regarding this project, which cannot be resolved in discussion with the municipality, a person or party may request that the Minister of the Environment, Conservation and Parks to order a change in the project status and require a higher level of assessment under an individual Environmental Assessment process (referred to as a Part II Order). The Part II Order Request Form is available online on

the Forms Repository Website (<http://www.forms.ssb.gov.on.ca>) by searching “Part II Order” or “012-2206E” (the form number). Reasons must be provided for this request. Request must be received by the Minister within 30 calendar days of this Notice.

If there is no request received by June 28, 2019, the City of Cornwall will proceed to design and construction for the new Fennell Crescent Sewage Pumping Station, as presented in the planning documentation.

Please note that ALL personal information included in a Part II Order submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment and Climate Change for the purpose of transparency and consultation. The information is collected under the authority of the Environmental Assessment Act or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the Freedom of Information and Protection of Privacy Act. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the ministry’s Freedom of Information and Privacy Coordinator at 416-327-1434.

Issued: May 29, 2019
