- 085 - To adopt the Notre Dame Cemetery Drain Report

DELEGATIONS

S.D.&G. Humane Society - Ms. Jan Samis was designated as the spokesperson. The delegation indicated that it was unfair that this type of legislation was being approved by Council with no consideration accorded to dog owners and no input requested from the S.D.&G. Humane Society. She suggested that a proper method of formulating by-laws would be to appoint a special committee to look into solutions to a particular problem. As far as banning dogs in parks, three compromises were presented for Council's consideration - 1) stoop and scoop by-law; 2) providing for access to certain parks or certain areas in parks for dog owners to bring their dogs; or 3) a combination of the first two suggestions.

It was made clear to Council and the delegation that By-law 63, 1979 has been given three readings and is law. It was the consensus of Council that the presentation by the delegation and its suggestions be returned to Administration for consideration and that a further report be made available to Council. Until this matter is considered further, the by-law banning dogs from all City parks is to be enforced.
