NON-PROFIT HOUSING

Mr. A. Gorizzano, from the Ministry of Municipal Affairs and Housing, addressed the Council on the availability of a Municipal Non-Profit housing project. He stated that some objectives of the Municipal Non-Profit housing were: to ensure that an adequate number of low and moderate income housing units are started; give municipalities greater flexibility in planning and administering projects which best fill their needs and also to enable a municipal non-profit corporation to either build or acquire housing. Mr. Gorizzano gave details on available

incentive loans and grants and capital funding. His presentation was accompanied by a slide presentation which gave visual support to his presentation.

Mr. Gorizzano then answered questions from all members of Council and offered comments on other housing programs. Mayor Parisien thanked Mr. Gorizzano for his excellent presentation and indicated that Council would take the municipal non-profit housing program under advisement.

The meeting adjourned at 8:10 p.m.
