A recorded vote resulted as follows -

For the Motion: Aldermen Lebano, Myers, Guindon, Samis, Wise, Leger and LeBlanc. Against the Motion: Mayor Parisien, Aldermen Lynch, R. Lalonde, Pescod and Aubry. The motion carried.

Following the motion to reconsider, it was moved by Aldermen LeBlanc and Lebano that Rule 10 be invoked in order to allow Mr. J.C. Lalonde, President of the Montreal Road BIA, to address Council. Carried

Mr. Lalonde indicated that he was representing approximately 100 store owners in the Montreal Road BIS and that a survey had been made on the Council's decision to increase parking meter rates and 100% of the store owners were opposed to the increase. He suggested that Council allow additional time in order for City Administration and the Montreal Road BIA to look for other options before a final decision is made.

A motion was introduced by Alderman Wise whereby the present meter rates remain the same and that some proportion of this rate structure be charged to the Downtown BIA as they seem to be responsible for the problem that Council is facing. There was no seconder.

It was moved by Aldermen LeBlanc and Guindon that the meter rates not be increased and that Administration meet with the Montreal Road BIA in order to work out a more viable solution. Defeated

It was then moved by Aldermen Wise and R. Lalonde that this matter be deferred until current budget deliberations. Carried
