DELEGATIONS - George O'Dair, President Royal Canadian Legion #297

Mr. O'Dair initiated his presentation by asking for permission to address Council an additional five minutes. It was moved by Aldermen T. Lalonde and Gallant that Mr. O'Dair be granted five additional minutes for his presentation.

CARRIED

Mr. O'Dair listed for Council several projects that the Legion had financed in the community in the last year and indicated that this evening the purpose of his presentation was to offer a proposal to the City for minor league baseball diamonds and associated services. Mr. O'Dair proposed that the Legion develop four baseball diamonds at no cost to the Municipality, which project is estimated to cost \$400,000.00 of which the Legion is hoping to receive a 50% subsidy from the Ministry of Tourism & Recreation and the other \$200,000.00 would be financed by the Branch at \$50,000.00 over the next 4 years. He indicated that this proposal would include four baseball diamonds, two parking lots, one service building, a picnic area and a 75 seat bleacher structure. The service building would contain an equipment room, men and women washroom facilities and a concession stand to be operated by the Cornwall Minor Baseball Association. The Legion supports this project because it would represent a growing need in the community and would represent the only real baseball diamonds that could be used for this sport. He indicated that the site in question, which is the property south of Rae Street, fits in with the overall Waterfront Development and that all that would be required at this point is for a committment from the City to provide the necessary lands in order for this project to be undertaken. He indicated that with Council's support a ball field could be in operation by 1990.

After Council had an opportunity to question the delegation, it was moved by Aldermen Grant and Aubry that the proposal put forth by the Canadian Legion be approved in principal and that a detailed Report be prepared by Administration and brought forth at the earliest possible date.

CARRIED

#### RESOLUTIONS

#18 It was moved by Aldermen Green and Leblanc that Council approve the passing of bylaw 134/1988, which bylaw is to rezone Part of Lots 25,26 and 27, North Side of Water Street, City of Cornwall, from Manufacturing 10 to Residential 40 with the addition of the Neighbourhood Commercial uses subject however, to the "service commercial" standards outlined in the Residential 40 zone and that the petition be forwarded to the Ontario Municipal Board.
