- (c) That Council confirm that the existing Council Committee be dissolved but that the members remain as a liaison between the new Interim Management Board and Council to facilitate the development of the Business Plan by the Interim Board,
- as per the Report prepared by the Community Centre Committee under date of August 3, 2005.

A recorded vote on this matter resulted as follows:

## **2. Best Start**

Susan Cain, Manager, Social Support Services, addressed Council and explained a recent development in that she has been advised by the Ministry of Community and Social Services that there is a problem with the funds for this project in that, although the 100 % funding is available, there will be a delay in advancing those funds. Apparently this delay is due to the manner in which the funds are invested between the Federal and Provincial Governments. If the \$2.2M is not spent between now and March 31, 2006, the funds will be lost.

***Councillor Mark MacDonald left the meeting at 12:55 p.m. and did not take part in the vote.***

Moved by Councillors Naresh Bhargava and Leslie O'Shaughnessy:

- (a) That the City get written confirmation from the Ministry of Community and Social Services that the funds for this program are available but that the transfer payment has been delayed;
- (b) Should this guarantee not be provided, the process will be delayed; and
- (c) That the City obtain confirmation that the interim financing cost will be covered Ministry of Community and Social Services.

A recorded vote requiring a 2/3 majority on this matter resulted as follows:

For: Councillors Joël Côté, Glen Grant, Naresh Bhargava, Jacques Lemire, Denis Moquin, Leslie O'Shaughnessy, Chris Savard and Mayor Phil Poirier
